ABOUT THE WORKSHOPS

Join us for two upcoming workshops for music educators and conductors led by Arreon Harley-Emerson, CEO of Equity Sings and National Chair of the ACDA Diversity Initiatives Committee. Participants will learn strategies for integrating gospel music into their concerts and curriculum, improving teaching techniques, and fostering inclusivity. This is a valuable opportunity to gain insights from a leading expert. **Come ready to sing, experiment, and learn!**

OSPI clock hours available for these workshops.

**These FREE workshops can be taken as a series or standalone.
