Enrichment Choir Conductor **Bell Elementary** Job Description

About Columbia Choirs

Columbia Choirs of Metropolitan Seattle is a community choral nonprofit organization based on the Eastside, with a mission “to bring together people of all ages and backgrounds to learn through music and experience the joy of choral singing”. Since 1984, Columbia Choirs has been a musical home for singers of all ages to find their voice, express themselves, and grow their community. With eight community choirs – for children, youth, and adult singers – and outreach programs in local elementary schools, Columbia Choirs offers high-quality musical learning opportunities and presents a variety of public performances throughout the year.

What are Enrichment Choirs?

In fulfillment of its mission to increase access to the choral arts, Columbia Choirs has expanded our offerings in recent years to include in-school choir classes for elementary schools that do not currently offer choir. Through these partnerships, we aim to expand access to high-quality choral music education and fill a vital need in our community.

Enrichment Choir classes run throughout the school year and follow the school’s traditional holiday and break schedule. Rehearsals are 1.25 hours in length and are held once a week. Classes take place in the school’s music classroom or equivalent space. The program calendar is divided into three sessions: fall, winter, and spring, with each term culminating in a performance opportunity for students to share their learning with families and the school community. The Enrichment Choir will also participate in a collaborative concert with the other schools in their region. Columbia Choirs provides an accompanist for all performances, as well as for rehearsals in the weeks leading up to each performance.
